FIATFocus acknowledgements;

FIAT Focus is the monthly journal of the FIAT Club of NSW. It is issued by email on the first Wednesday of each month .

Many thanks to Warren Smith & Mark Shagen (Club Lotus) for their contributions to this edition of Fiat Focus.

Cover Photo; 2 FIATs from the 1950s that were both innovative for the time. One was quite exotic - the FIAT 8V powered by a 2 litre V8 engine (FIAT's only V8); the other, very utilitarian - the FIAT 1400, the first FIAT with a monocoque chassis and the first FIAT that offered a diesel engine as an option.

FIATFocus Magazine is available from the FIAT Club of New South Wales website. If you are after any of the issues from 2019 to the present just go to www.fiatclub.com.au, click on the 'Magazine' tab and download the magazine you are looking for.

INVITATIONS

TBA

HVS Registration processing on hold during Lockdown.

Please take note of the following message from the Club Registrar, Richard Dalziel.

Dear Members with cars on historic registration,

Service NSW has confirmed that HVS registrations are not considered to be "essential", so we have to wait until after lockdown ends on 28 Aug to process our renewals in person.

We already have 3 months from the time our registrations expire until they are cancelled, so that should be enough time (one would hope!) to allow us to attend a centre after lockdown.

Obviously you can't drive your car after the registration expires.

New arrangements would be put in place if lockdown was to be extended.

They are renewing "normal full registrations" (which can be done online), by giving an extension of time to provide a pink slip, so you can "pay your money" on time, but provide the pink slip later.

SPECIAL ANNOUNCEMENT

The Committee has decided that because of all this lockdown wasted time with almost no value for your membership fees, that **we will extend the current Membership Year by 6 months**. That means you will not have to renew until 30 June 2022.

This will have an effect for members with Historic or Classic registration of not having a Club Membership Card showing that their membership is current, but we intend to email all of those affected in this way with a receipt stating the new date that their membership ends.

////

With the Fiat Nationals cancelled you may be asking yourself "what have we got to look forward to?" Good question..... At the moment, the only date that has been scheduled is November 21st for our annual Concorso d'Eleganza. But of course, this may also be more of a wish than a reality. Thanks must go to the Alfa Club for their efforts in booking the usual grounds.

////

Members who had accommodation booked at the Mercure Motel in Goulburn should have had their booking automatically cancelled and been notified of this fact. If you haven't, then don't forget to either phone or email the Mercure to cancel.

////

The Club Committee has still been meeting during lockdown, but of course, via "Zoom". We have got so used to this that we may keep doing it this way in future as it saves so much time in traveling.

So, this raises the question of whether we should hold a Social Meeting or two in the same way. Vice President Murray Irwin will be sending out an email asking for expressions of interest in having a meeting in this way. I know that other clubs have already tried it successfully. Our thinking is that it will not have the usual formal format, but be entirely a social chat. Possibly with a "Fiat Fixations" segment for anyone to ask questions about their car.

////

YOUR PHOTOS – Because of the lack of any big car shows this year, our Editor is left with not very many photos of member's cars to publish in Fiat Focus. So he would appreciate it greatly if you could all send suitable photos of your current Fiat and the best ones will even make it onto the front cover! He will still publish the rest on the inside pages. A short description would help too, and it might be a nice touch if you were also in the shot. Email all photos to the Editor or post them on our Facebook page.

////

CANCELLATIONS

- the September Social Meeting has been cancelled.

POSTPONEMENTS

- CMC Display Day which was scheduled for August 15. New date to be advised.

Vale Joe Di Marti.

We are very saddened to hear of Club member Joe Di Marti's passing recently. Joe was a regular at the annual Concorso and the Norton Street Festival. He was always in good spirits and very enthusiastic about his cars and the club. I

would hear from Joe a few times a year, sometimes to obtain some information on the Club's activities or just to have a social chat (such as telling me about his time with the Carabinieri * in Italy). I saw Joe in

Leichhardt early this year and he seemed very cheery and well considering he had been battling an illness. Joe is a character that I will miss but will not forget. The FIAT Club offers its condolences to Joe's family and friends. *Lorenzo Aventi*

**(The Carabinieri are the national gendarmerie of Italy who primarily carry out domestic policing duties.)*

Old FIAT Publicity Photographs

This month we show another selection of FIAT promotional photos from the past. Enter the 1950s, the Nuova 1100 introduced the latest version of FIAT's family car which began with the 508 / Balilla models from the 1930s and continued after the 1100 in the form of the front wheel drive 128 from 1969.

The photos depict the car buyers aspirational choice of vehicle being the modern FIAT 1100. At right, the amorous tennis couple have a preference for the flannel white version to match their tennis kit; below, a young family admire their new, classy, mode of transport; young adventurous ladies will settle for nothing less than the deluxe version; the bottom photos show the top of the range, Gran Luce version (note that all doors are front hinged and open with suicide doors for the driver and passengers in the front seat); finally, bottom right, the FIAT is the perfect car for horsing around, though, the two suited gentlemen are much more interested in the 1100 than the young lady on horseback.

Once again, thanks to Marc Shagen for sending the collection of photos to the FIAT Club.

Jottings and Gossip

Club car movements

Here are some vehicles owned by members of the FIAT Club that everyone is familiar with. We see them at the Concorso every year where we admire their presentation and appreciate the time and money that their owners have put into them. Over the past year a number of these favourites have now moved on into the custodianship of a new owner. Steve Gotch has provided details of a few of these sales below.

After 32 year, Tony Metcalf has sold his FIAT 600D, 1959 model. Slightly modified over the years with a 903cc motor, mild cam, 850 Coupe front brakes, 124 rear disc brakes, 32 DNTR Weber carburetor on a Argadi manifold. Wheels were 13 x 5 Cromadoras with Alfasud stainless domes for centre caps. New owner now lives in Sydney.

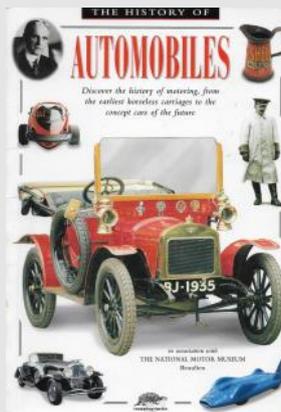

Allen Steele has parted with his 500F, 1969 model after 25 years. Lots of mods, Niki motor, Panda head, 695 grind camshaft, alloy sump, Ansa exhaust, 40 DCOE Weber carburetor, FRONT DISC BRAKES, Niki rear drums. The new owner, an 81 year old South Australian just loves the car.

Steve Gotch's red 20 valve LE Coupe, 1999 model, has been sold after 15 years

of ownership. This was a 6 speed 220 hp 5 cylinder. Still in the garage, a 1970 FIAT 500F motorkhana special fitted with a 1500 X1/9 fuel injected motor. Its east-west in the back seat. Another 20 valve Coupe, 1998 race car is still for sale. Waiting restoration, a 1966 FIAT Dino red Coupe. It runs a 2 litre V6 quad cam Ferrari Dino 206 motor.

Thanks Steve for the updates.

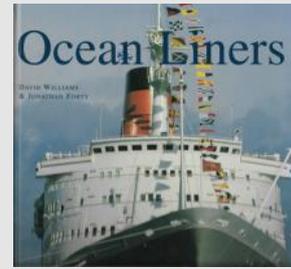

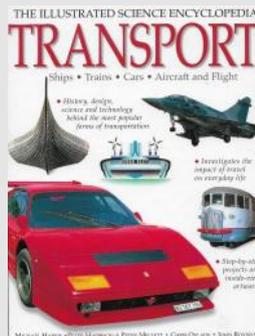

New books for the club library.

A few more new books have found their way into the FIAT Club library. While not FIAT books, they are still on transport with a couple of them being children's

educational books.

The books include a 30 page, short History of Automobiles, The Illustrated Science

Encyclopaedia - Transport and finally a large coffee table style book on Ocean Liners.

Paper Model cars.

Lockdowns due to the Corona Virus have been going on for a while now in Sydney and regional NSW. If you are looking for something to do to pass the time, why not build your own model FIAT out of paper. At the back of the magazine are some templates for FIAT cars that will help get you started, but note, thicker paper or light card will work best.

There are plenty of templates available on the internet for various model FIATs, as well as other Italian makes, sports and racing cars, each with varying degrees of difficulty. The models include this month are the FIAT 131, Multipla, Uno, 124 wagon, 500 and 126 / Niki.

When you have built your model, why not post it on the Club's Facebook page or send a photo to the editor at

editor@fiatclub.com.au.

All you need is some scissors and glue (and some patience)!
