HISTORIC VEHICLES ON CONDITIONAL REGISTRATION

HVS MEMBER DECLARATION and VEHICLE ELIGIBILITY

I have read, understand and agree to comply with the conditions governing the use of historic vehicles on conditional registration, as stated in the Fiat Club of NSW rules for the use of Historic Vehicles on Conditional Registration, which apply to both HVS and CVS vehicles.

My vehicle does not have any modifications, other than permitted period accessories.

Note: If your vehicle does have modifications, discuss them with the Historic Registrar, as it may need to go on CVS instead of HVS.
